AEW REVIEW SESSION

AEW facilitators Erin and Ian will be holding a review session for Math 203 Sunday, February 19 (6:30-9:00) in the Large Classroom of the Tatkon Center (in Balch Hall). AEW’ers and non-AEW’ers alike are welcome and encouraged to bring classmates. We will mostly be working example problems and recommending good techniques for approaching test questions. Stay for as long or as little as you like and feel free to bring questions about general topics or specific problems. You can reach us by e-mail. Eric: ela25@cornell.edu, Ian: iwd2@cornell.edu.
