Choose one sequence from this group to prepare for higher-level math courses.

Calculus I: Derivatives

MATH 1110

1 semester AP credit start here

Calculus II: Integrals and Series

MATH 1910 for engineers
MATH 1120
MATH 1220 honors

Choose one course from this group

2 semesters AP credit start here

Linear Algebra and Multivariable Calculus

MATH 1920 multivariable calculus
MATH 2930 differential equations
MATH 2940 linear algebra

MATH 2210 linear algebra
MATH 2220 multivariable calculus

MATH 2130 multivariable calculus (terminal)

MATH 2240
MATH 2230
MATH 2240

Theoretical Linear Algebra and Multivariable Calculus

MATH 2310 linear algebra (terminal)
