We can help:

☐ in your Math Classes?

Math Woes?

Math Support Center -- tutoring daily except Saturday

That's why we're here.
Math Support Center can make your life a little better with:

• ideas to deepen your understanding of mathematics
• diagnosis of gaps in your mathematical background
• help in choosing the right math course for your needs
• information on careers in mathematics and allied fields
• spot-tutoring to keep you abreast of courses
• referrals for more extensive tutoring if you need it
• special arrangements to meet your special needs
• tips for learning and teaching mathematics
• encouragement for your ideas
• listening to your frustrations
• perspective when you feel overwhelmed by tests or homework

Turned on by Mathematics or has Mathematics got you down?
That's why we're here.
Currently available are topics from precalculus and calculus under the following headings:

• Diagnostic Tests
• Math Survival Kit
• Algebra
• Differential Equations
• Exponentials and Logarithms
• Functions
• Graphing
• Infinite Series
• Integrals
• Limits
• Logarithms
• Max-Min Problems
• Multiple Integrals
• Polar Coordinates
• Related Rates
• Trigonometry

Math Support Capsules are useful for:

• brushing up
• filling gaps in background
• help in tough topics
• reinforcing class work
• reviewing for prelims

Capsules are available in our office 256 Malott. Most are also available on-line at:

http://www.math.cornell.edu/twiki/bin/view/MSC/MscCapsules

Hours:
Monday through Friday 10:00 AM - 4:30 PM
Sundays 7:30 PM - 10:00 PM
