NAME:

QUIZ 5 - MATH 111, Section 19
CORRECTIONS FOR PRELIM I

DUE 10/12/05

For each problem on the prelim, if you lost points, write:

1. the correct solution for the part of the problem that you got wrong
2. explain in words what your mistake was and why your answer might have seemed reasonable at the time
3. explain what you have learned from doing the correction.

Write your corrections on your own paper and staple them to this sheet. Please do not write anything on your exam!

Hand in your corrections, along with your exam, during class, on Wednesday 10/12/05. You will receive them back in a few days.
